

Clarity & Control For Every IT Asset

Unseen **Risks** Become Your Biggest **Threats**.

Problem—

Shadow IT = Hidden Risk

Rogue assets create dangerous exposures you can't defend.

Vulnerability Overload

Threats pile up faster than teams can prioritize.

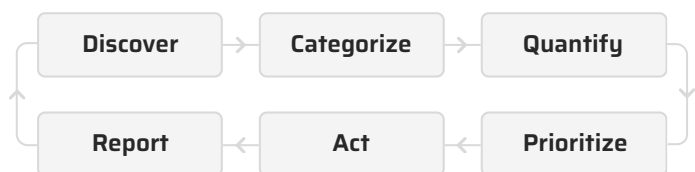

Compliance Chaos

Audits drain time, turning compliance into chaos.

ApexaiQ Makes IT Risk Simple

Solution—

An agentless platform that discovers, prioritizes, and automates compliance.

Real-Time Asset Visibility
on-prem, cloud, shadow IT

Always Audit-Ready
slash compliance overhead

Risk-Based Prioritization
prioritize vulnerabilities that matter

Automation & Reports
faster response, executive proof

Key Differentiators
